

Radial Drilling Services, Inc. Patented Rotary Jet Application

Patent # 2014/008129 A1 January 2014
Patent # 7422859 B2 May 2007

Chemical Treatment
Rotary Jet

Stand-Off
Rotary Jet

Shrouded
Rotary Jet

**Yet Another Innovation of Radial Drilling Services, Inc.
With Over 1,800 Jobs Performed. The Undisputed Originator and Leader In
Radial Drilling Technology.**

Radial Drilling Services, economically enhancing Oil/Gas/CBM/Shale production
with radially jetted laterals using in-house patented environmentally friendly equipment and technology.
